Health Care Policies and Procedures for Scout Groups

Please read the enclosed policies regarding emergency procedures, activities, animals, firearms, drugs and alcohol, and health information.

Policy

For retreat programs, some family-camp programs, and all troops and groups using camp facilities and limited services (food service, program specialists, etc.), Camp Wasewagan is not responsible for providing personnel, supplies, transportation, or health-care services.

Wasewagan advises user groups to background check their participants before allowing them to work with children and have their own rental, medical, and liability insurance.

Procedures

1. Groups must provide their own adults currently certified, age appropriate in first aid and CPR/AED, who are responsible for health needs of the group.
2. Groups are responsible for gathering and maintaining information on all members of the group that includes name, address, emergency contact names and numbers, and any allergies/health conditions/restrictions. For minors without a parent on-site, group leaders should also have signed permission to seek emergency treatment or a signed religious waiver. Group leaders are responsible to inform camp of any allergies or restrictions of their group that may affect camp services provided (e.g., food service, program activities).
3. Groups are responsible for their own emergency transportation, phone numbers and locations of local EMS providers, clinics, and hospitals.
4. Groups are responsible for providing their own first-aid supplies and equipment.
5. Orientation for groups will include updated emergency procedures for the camp including information on how to contact camp personnel in an emergency.
6. There will be no use of camp activities unless arranged or supervised by a Wasewagan staff member. No Exceptions. Wasewagan will provide lifeguards when arranged.
7. Wasewagan does not allow dogs or pets on the premises. The exception to this rule is a working guide dog and camp dogs.
8. No firearms, drugs and alcohol may be brought onto Wasewagan property.
9. Rental Party is responsible for guest consuming drugs, and alcohol at the site or upon departure of the site.
10. I agree to release Camp Wasewagan and its people from any and all medical and financial responsibility.
